A message from [redacted] Hill's Pet Nutrition:

"In support of our mission statement, "To help enrich and lengthen the special relationships between people and their pets", Hill's Pet Nutrition is highly committed and devoted to the continued support and improvement of the veterinary profession. We do this through a broad spectrum including veterinary student support programmes and clinical lectures, congress and local veterinary association sponsorship, global CE programmes for clinicians, veterinary publications and veterinary consultation services to mention but a few. The partnership between Murdoch University and Hill's Pet Nutrition and in particular, this exciting initiative, brings two outstanding institutions together in a programme which delivers accessible and high quality veterinary education to the clinician , wherever he or she may be.",

Murdoch School of Veterinary & Biomedical Sciences is proud to partner with Hill's Pet Nutrition to help vets around the world deliver the highest quality of veterinary care.
