Dear [redacted]

May I begin by saying thank you very much for your past support and partnership with Murdoch University. Our partnership successes in offering distance learning in Asia were due to the greatly appreciated support of Hill's Pet Nutrition.

We are pleased to be able to continue this relationship with Dr Peter Irwin's involvement as keynote speaker in the upcoming Hill's Web Seminar.

I attach a letter of proposal officially confirming Dr Irwin in this role including a general outline of some ways our partnership can go forward into the future. Also attached is an invoice for Dr Irwin's involvement in the webinar.

If you have any queries or would like to discuss the proposal further, please don't hesitate to contact me.

Kind regards

**Ellaine Hislop**
