Dear [redacted]

Murdoch University School of Veterinary and Biomedical Sciences
Awards Ceremony 2012

Thank you very much for supporting Murdoch University School of Veterinary & Biomedical Sciences students at the Faculty Awards Ceremony held on 29 March 2012.

The awards ceremony provided an opportunity to recognise and reward students who have excelled academically or made an outstanding contribution to the School.

We greatly appreciate your support of the *Royal Canin Animal Welfare Award* which was awarded to [redacted] and presented by Associate Professor Max Sully.

Receiving a prize is recognition of the recipient's hard work and serves as an inspiration to other students to excel. This prize means a great deal to Hayley. I have included her note of thanks and a photo from the event.

Once again, thank you for being part of rewarding and encouraging our students.

Yours sincerely

Ellaine Hislop
