Subject: Hill's Sponsorship

Hi Shiromi

It is time for me to start compiling the information for the Hill's sponsorship report.

Could you please give me the report of how many discharge letters had the Hill's Prescription Diet info on, from 1 June 2011 to 30 June 2012. Also the Caseload by Department report for the same timeline.

Could I also please have the information on the $ amount spent on hospital patient feeding.

Thanks for your help.

Kind regards
