Dear Mr Lonsdale

Letter for publication

-----

We are in receipt of your letter to this Journal. This runs to over 1000 words and is far too long to publish as a letter. It could be presented as a short communication which would be subject to normal scrutineering or, if to appear as a letter, should be less than 500 words; a letter should be concise and to the point.

I hope these comments are helpful.

Yours sincerely
