Dear Dr Lonsdale

External review of decision under the *Right to Information Act 2009*

I refer to your email on 4 May 2016 in response to this Office's (OIC) preliminary view dated 3 May 2016. Thank you for confirming your agreement with OIC's preliminary view on the sufficiency of search issues.

The purposes of this letter are to:

1. inform you that the University of Queensland (UQ) will shortly release redacted copies of Volumes 4 and 5; and
2. explain OIC's next steps regarding Volumes 1, 2 and 3.

1. Release of redacted copies of Volumes 4 and 5

As noted in OIC's letter dated 4 May 2016, OIC had conveyed preliminary views to UQ and to relevant third party pet food companies in respect of Volumes 1 to 5.

UQ's response noted that it did not object to OIC's preliminary view with respect to Volumes 4 and 5. Further, the third parties consulted in respect of these Volumes did not respond to OIC with any submissions objecting to the disclosure of these Volumes.

Accordingly, I have today asked UQ to release **redacted**¹ copies of Volumes 4 and 5 to you by 3 June 2016.

2. Next steps regarding Volumes 1, 2 and 3

OIC has granted an extension of time for the third parties relevant to Volumes 1, 2 and 3 to provide submissions in response to OIC's preliminary views. We will contact you again once we have received and considered these submissions. We anticipate that this will be towards the end of June 2016.

If you have any questions, please contact OIC by writing to the above address, emailing administration@oic.qld.gov.au or telephoning 07 3405 1111.

Yours sincerely

A Rickard
Acting Assistant Information Commissioner
