Subject: RE: re invoices

Dear [Redacted]

I have asked our finance people to send the invoice for \$20,000 (approx. 11,000 GBP) for the work that [REDACTED] is doing this year, [which is also providing further pilot data for the ARC application(s)]. This includes the incretin immunohistochemistry plus the lamellar explant and perfused hoof study as discussed a few months ago.

[REDACTED]

I hope that is OK – please let me know if there is a particular reference number that we should use on the invoice.

Best regards,
