Dear Prof. [REDACTED]

Yes we will be covering all the expenses listed below for this meeting. The airfare may be economy or premium economy and I will confirm this in the following week. At this point we are also looking at organising a tour of the Waltham facility based in England but I will only have a confirmation on this additional proposed plan in the following week.

Thank you,

Dear [REDACTED]
Thanks for the reminder – this had slipped my mind. I assume that the offer is to cover the costs of a member of staff attending (travel, accommodation, registration, meals)?

Regards,

Dear Prof. [REDACTED]

I hope my mail finds you in good cheer.

As mentioned in my last email, we are in the process of confirming attendance at the Royal Canin scientific meeting to be held in France in May this year. I was wondering if you have had a chance to discuss this opportunity with the appropriate faculty associate and if there is an interest in this regard. This meeting will be held on the 20th and the 21st of May this year.

I look forward to further guidance and your response in this regard.

Warm regards,
