Dear [REDACTED]

Please could you send an invoice to Mars Petcare UK Ltd for AU\$20,000. We should have the address details etc in the system still from my ARC linkage grant.

This invoice is for 'Equine laminitis in vitro studies'. Please quote the reference number below and it can be emailed to [REDACTED] and CC'd to Professor [REDACTED].

This can go into my consulting account ([REDACTED] which will help it considerably), BUT I will need about 5-6K to do the work, so can I be allowed to spend some of it even though the account will still be in deficit? I think that would be easier than negotiating contracts and setting up a new project account.

[REDACTED]

Please let me know if you need more details,  
Many thanks,  
Kind regards,  
[REDACTED]
