Subject: Vet Nurses Conference 2014

Hi ladies- I am not sure of the right person is to contact re speaker topics?
I was booked into do a talk on feeding through the ages but have a fresh new talk on The Nurses Role in Nutrition (very generic and non branded that would suit any nurse) that I thought might be worthwhile and a little different?
Could you please let me know the right person to contact and / or your thoughts?
Cheers [REDACTED]

Subject: UoM Vet Nurses Conference 2014

The UoM Vet Nursing Conference: November 21st-23rd 2014

Following the success of last year's Veterinary Nursing Conference, our 2014 Nursing Conference will focus on workshops, with Saturday and Sunday lecture sessions. Topics covered will range from surgery to anaesthesia and emergency medicine. Experts including [REDACTED] and other staff will be contributing to bring a wide range of topics to this event. Topics include –

- Suturing: A stitch in time and aseptic surgery technique
- Placement of lines and tubes: central lines, urinary catheters and general tube care
- CPR: The art of revival
- Hyperthyroidism: What's up doc?
- Blood transfusion: An overview
- Maximising your role in the nursing clinic team
- Equine Cushings disease
- Seizures – what do we do?
- Anaesthesia monitoring – what the beep was that?
- Feed through the ages – nutrition
- Cruciates from hop to jump
- Ultrasound interpretation
- Sound phobias

We anticipate an attendance rate of between 90-115 registrants. There is limited opportunity to sponsor this event, as such, I have attached a sponsorship schedule for your perusal. If you have any queries or wish to discuss this opportunity in further detail, please do not hesitate to contact me,

Kind Regards,
